

THE LANDBELL ONLINE LABEL: EXCLUSIVELY FOR YOUR PACKAGING LICENSING

Show that you are fulfilling your producer responsibility and supporting the recycling system through your participation!

With LANDBELL, you have chosen an established and reliable partner when it comes to packaging licensing.

In order for you to inform your customers and business partners in a simple and understandable way about your participation in a dual scheme, we have developed the LANDBELL online label which we are happy to make available to you.

Your benefits:

- The online label credibly communicates that you are complying with your legal obligations and thus creates transparency in your market (segment)
 - Make a statement and show that you as a company license your packaging (as it is also publicly available in the register of the Central Agency Packaging Register)
- As a LANDBELL customer, you have exclusive access to the label, which makes it visible to the outside world that you are fulfilling your producer responsibility
 - You can easily use the LANDBELL label for your communication and, for example, integrate it into your online shop or post it on your social media channels

The LANDBELL online label – made for you: Make it visible to your customers and business partners that you are fulfilling your producer responsibility

* Legal obligation according to §7 VerpackG

About us

Landbell Group is a leading global supplier of environmental and chemical compliance services, which helps companies to carry out their extended producer responsibility (EPR) obligations.

With customers in many countries, and colleagues based all over the world, we are a global platform for EPR.
